TECHNOLOGY AND ACCEPTABLE USE PROCEDURES

The use of technology is a privilege, not a right. Appropriate behavior when using technology on the school campus is no different from behavior expectations in all other aspects of the learning and instructional program.

PJP II TECHNOLOGY CONTRACT

When I use the devices, Chromebooks or iPads, I agree to be responsible, respectful, and safe. I understand that technology is used in school for educational purposes and is a privilege, not a right, and any inappropriate use may result in cancellation of this privilege. I also understand that any violation of this policy may result in disciplinary action in accordance with our school disciplinary code, and/or possible monetary/legal consequences. Appropriate legal authorities may be contacted if there is any suspicion of illegal activity. I also understand that access to school technology resources is not a private activity and that the school will closely monitor student activity on any of the school resources.

Responsible

- At all times I will only use the apps or websites that my teacher has instructed me to use it.
- I will not communicate with other students while on my device.
- I will take care of my device by holding it properly, always using the protective guard and not use it near food or drink.
- I will pay the full cost of the device should it become damaged, lost or not returned in an appropriate manner.

Respectful

- I will only use the device at the appropriate time.
- When my teacher is talking or giving instructions I will not be on the device.
- I will not allow the device to distract me from learning.
- I will not be a part of cyberbullying in any fashion.
- I will not use my device to record (photo or video) others without their consent and my teacher's consent.
- I will not be involved in any inappropriate "conversation" while on my device.

Safe

- I will never use the internet to search material that is inappropriate for school.
- I will not change any settings, passwords nor add or remove apps.

• I understand that using the devices during class time is a privilege; if I choose not to follow the above expectations, I will lose the ability to use the technology for an undetermined period of time.

Technology resources that are prohibited at Pope John Paul II School include but are not limited to the following:

- Downloading unacceptable materials
- Violating copyright law
- Using technology resources for financial gain, credit card fraud, electronic forgery, other illegal activity, and political purposes
- Downloading, installing, or storing software on a school computer without the approval of appropriate school personnel
- Changing or attempting to alter any configuration, program, or password on any computer or system
- Using a school computer without the knowledge or approval of school personnel responsible for the computer
- Using inappropriate language, pictures, and gestures in any form on the internet
- Using social networking sites such as but not limited to Instagram, Snapchat, Facebook, and Twitter
- Using the internet for unauthorized purchases

I have read and do accept **TECHNOLOGY AND ACCEPTABLE USE PROCEDURES** rules and regulations as printed and have explained them to my child(ren).
